

Holiday Homework 2010

Class – IV & V

I. TAKE CARE OF YOUR ENVIRONMENT

Let us all become conscious and sensitive towards our environment and do our little bit to make our world a cleaner and greener place.

- a) Try to watch the following movies(or any other) on environmental issues:-
 - The 11th Hour
 - The Day After Tomorrow

- b) Maintain a 'GREEN' diary to become really aware of what is going on around you. Please note that 'green' does not mean colour of the paper. It means caring about our environment.
 - Collect interesting articles on green issues that you may find in newspaper or magazines and paste them.
 - Create your own poems on environment.
 - Write meaningful slogans on environment.
 - Design badges on environment.
 - List at least 5 ways in which you can help to save the environment.
 - pyaa-varNa sao sambaiQat baIsa Sabd ilai#ae.

- c) Plant a few saplings at home on June- 5 (The Environment Day) and help them grow.

- d) Make a craft item out of waste material.
