

Holiday Homework 2010

Class – VIII

Integrated Project

Topic - Marginalization

MARGINALIZATION

Through the ages regrettably, some sections of our society have been marginalized. Let us focus on each one of these groups and think of how we can accept them as one of us. Our mission is to move towards a united and progressive India.

A novel exercise has been designed wherein you are required to make a Magazine which will have an editorial, stories, poems, photo essays, articles, cartoons etc. The theme for this integrated project is **MARGINALISATION**. The following areas have to be incorporated in the project:

- ✓ Creative Cover Page with a name.
- ✓ Proper Index.

Part – I

This section will include the following and should be done on YELLOW A4 size sheets:

- a. **Editorial** - (should be written in a manner to sensitise your readers about marginalization)
- b. **Reflections** - Imagine you are an adivasi. A multinational company wants to set up a mining project, evicting you out of the area where your generations have lived. Compose a poem (maximum 6 stanzas and minimum 4 stanzas comprising 4 lines each) depicting your agony.
- c. **Cartoons based on the theme.**

Part – II

This section will include the following and should be done on PINK A4 size sheets; parts a & b are compulsory. The choice is between C i and ii:

- a. **Write a short report about how marginalization leads to under-development and the impact of poverty on democracy.**

Reference Material:

Use chapter 4 from your History book and chapter 7 & 8 from the Social and Political Life book for reference.

b. Make maps showing:

- i. Scheduled Tribe % of total population.
 - ii. Map of Poverty in India
 - iii. Graph showing Religion wise % of population in India
- Compare the maps, graphs and make at least 4 conclusions.

- c. (i) **Collect photographs and articles from newspapers or magazines** related to the use of mineral resources and impact of industrialization on tribal people and tribal areas. Present a photo essay.

OR

- (ii) **Find out about any two of the following organizations and their work and their impact. Design a poster and logo depicting the work that these organizations are doing:**

- ✓ Muskaan
- ✓ National Blind School
- ✓ Spastic Society
- ✓ Akshay Pratishtan
- ✓ Action for Autism

Part – III

Hindi - This section should be done on BLUE A4 size sheets.

निम्नलिखित में से कोई एक प्रश्न A4 Size sheets में करें ।

1. महिला आरक्षण बिल क्या है ? क्या भारतीय महिलाओं के विकास में यह सहायक होगा ? अपने विचार स्पष्ट करें ।

अथवा

2. लोक साहित्य , कला एवं संस्कृति में आदिवासियों का क्या योगदान रहा है ? अपने विचार स्पष्ट कीजिए ।

नोट : केवल पढ़ने के लिए

प्रेमचंद द्वारा लिखित “निर्मला” उपन्यास पढ़ें । कक्षा में इसकी विस्तृत चर्चा की जाएगी ।

Part - IV

French – to be done on LIGHT Green A4 size sheets.

What was the position of women in the French Society?

OR

Draw / Sketch / Stick a picture of a woman leader during the French Revolution and write a paragraph on her life and her contribution to society.

Part – V

**Science (this section of work should be done on LIGHT
A4 Size sheets)**

ORANGE

Make a project on any one of the following:

Conservation / Exploitation of forests by tribals - Get Information with specific examples

OR

Urbanization – A Boon or A Bane

OR

Herbs used for medicinal purposes by tribal people and used till date.

Mathematics

1. Project Work: Make a working model on any of the following topics:

- Pythagoras theorem
- Bar graph
- Congruence of triangles
- Identity $a^2 - b^2$ (Geometric Representation)
- 3D figures
- Properties of triangles

2. Solve Sudoku from the newspaper and paste it in the Holiday Home Work Notebook (Any 10)

3. Using properties solve the following:

a. $\frac{-1}{8} \times \frac{9}{8} - \left(-\frac{4}{9} \times \frac{9}{7}\right) + \frac{4}{12} \times \left(-\frac{1}{8}\right)$

b. $\frac{1}{14} + \left(-\frac{1}{8}\right) \times \frac{1}{14} + \frac{3}{18}$

4. Evaluate using laws of exponents and write answers in exponential form:

a. $\frac{3^{-5} \times 10^{-6} \times 123}{3^{-7} \times 6^{-8}}$

b. $\left\{\left(\frac{2}{3}\right)^2\right\}^3 \times \left(\frac{1}{9}\right)^{-4} \times 3^{-1} \times 6^{-1}$

5. Observe the following pattern:

$$7^2 = 49$$

$$67^2 = 4489$$

$$667^2 = 444889$$

$$6667^2 = 44448889$$

$$66667^2 = 4444488889$$

$$666667^2 = 444444888889$$

Using the above pattern, find squares of the following numbers:

- a. 66666667
- b. 666666667

(संस्कृत) अष्टम – कक्षा
सत्र -2010 -2011

अधोलिखित विषयों में से कोई एक विषय पर ध्यान केन्द्रित कर संस्कृत में कार्य प्रस्तुत करें:-

- 1 संस्कृत शब्द कोष- अकारादिक्रम में न्यूनतम 200 शब्दों में
- 2 चित्रकथा
- 3 जीवन की अविस्मरणीय घटना
- 4 संस्कृत में आयुर्वेद
